TRIANGLE BUSINESS JOURNAL

Optimum Lighting is proud to be recognized and awarded one of North Carolina's "**Fast 50**".

Settling in Henderson NC in 2005, our growth has surely provided for our company's high visibility. As a full line Original Equipment Manufacturer, our factory production capabilities continue to grow as we expand past 100 employees and 100,000 square feet - operating space.

With a conscious eye on the continued development of energy efficient lighting fixture products and solutions, it's no wonder, that Optimum Lighting is one of the Triangle's fastest growing private companies.
